

Making Acne a thing of the Past!

Be part of the revolutionary acne treatment recently launched to market. Clinically proven to treat mild to moderate acne, AcneStar® has taken the market by storm.

No matter what your skin type, everyone suffers from spots, pimples and acne at some stage in their life. Environmental pollutants, hormonal fluctuations, stress, adolescence are but a few reasons why skin needs a helping hand. The answer to blemish-free skin is as small and versatile as a mobile phone!

AcneStar® is a unique chemical and drug-free appliance **CLINICALLY PROVEN** to treat acne and related skin conditions.
